Overview

Bahrain Islamic Bank (BISB) is Bahrain's pioneering and leading Islamic financial institution. Driven by a mission to simplify money matters, the bank leverages its digital platforms to offer seamless experiences, including 100% online account opening for GCC citizens.

Objective & Challenges

Objective

Generate a measurable and significant increase in new digital bank accounts during the 7 day campaign.

Challenge: Brand Domination

Convincing users to move past an engaging ad and complete a high-commitment action; opening a bank account entirely through a mobile app.

Challenge: Time Constraint

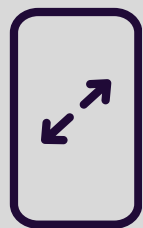

Achieve massive, unprecedented reach and millions of impressions among the target audience across KSA market in a short, 7 day period.

The Strategic Soloution

The 7-Day Plan That Captured Millions!

Premium Display

BISB used premium display format to reach millions, with their eye-catching creatives that included both images and video.

Takeover

BISB drove millions in reach and exceptional interactions by executing an exclusive 24-hour Takeover Poll in KSA during the National Day!

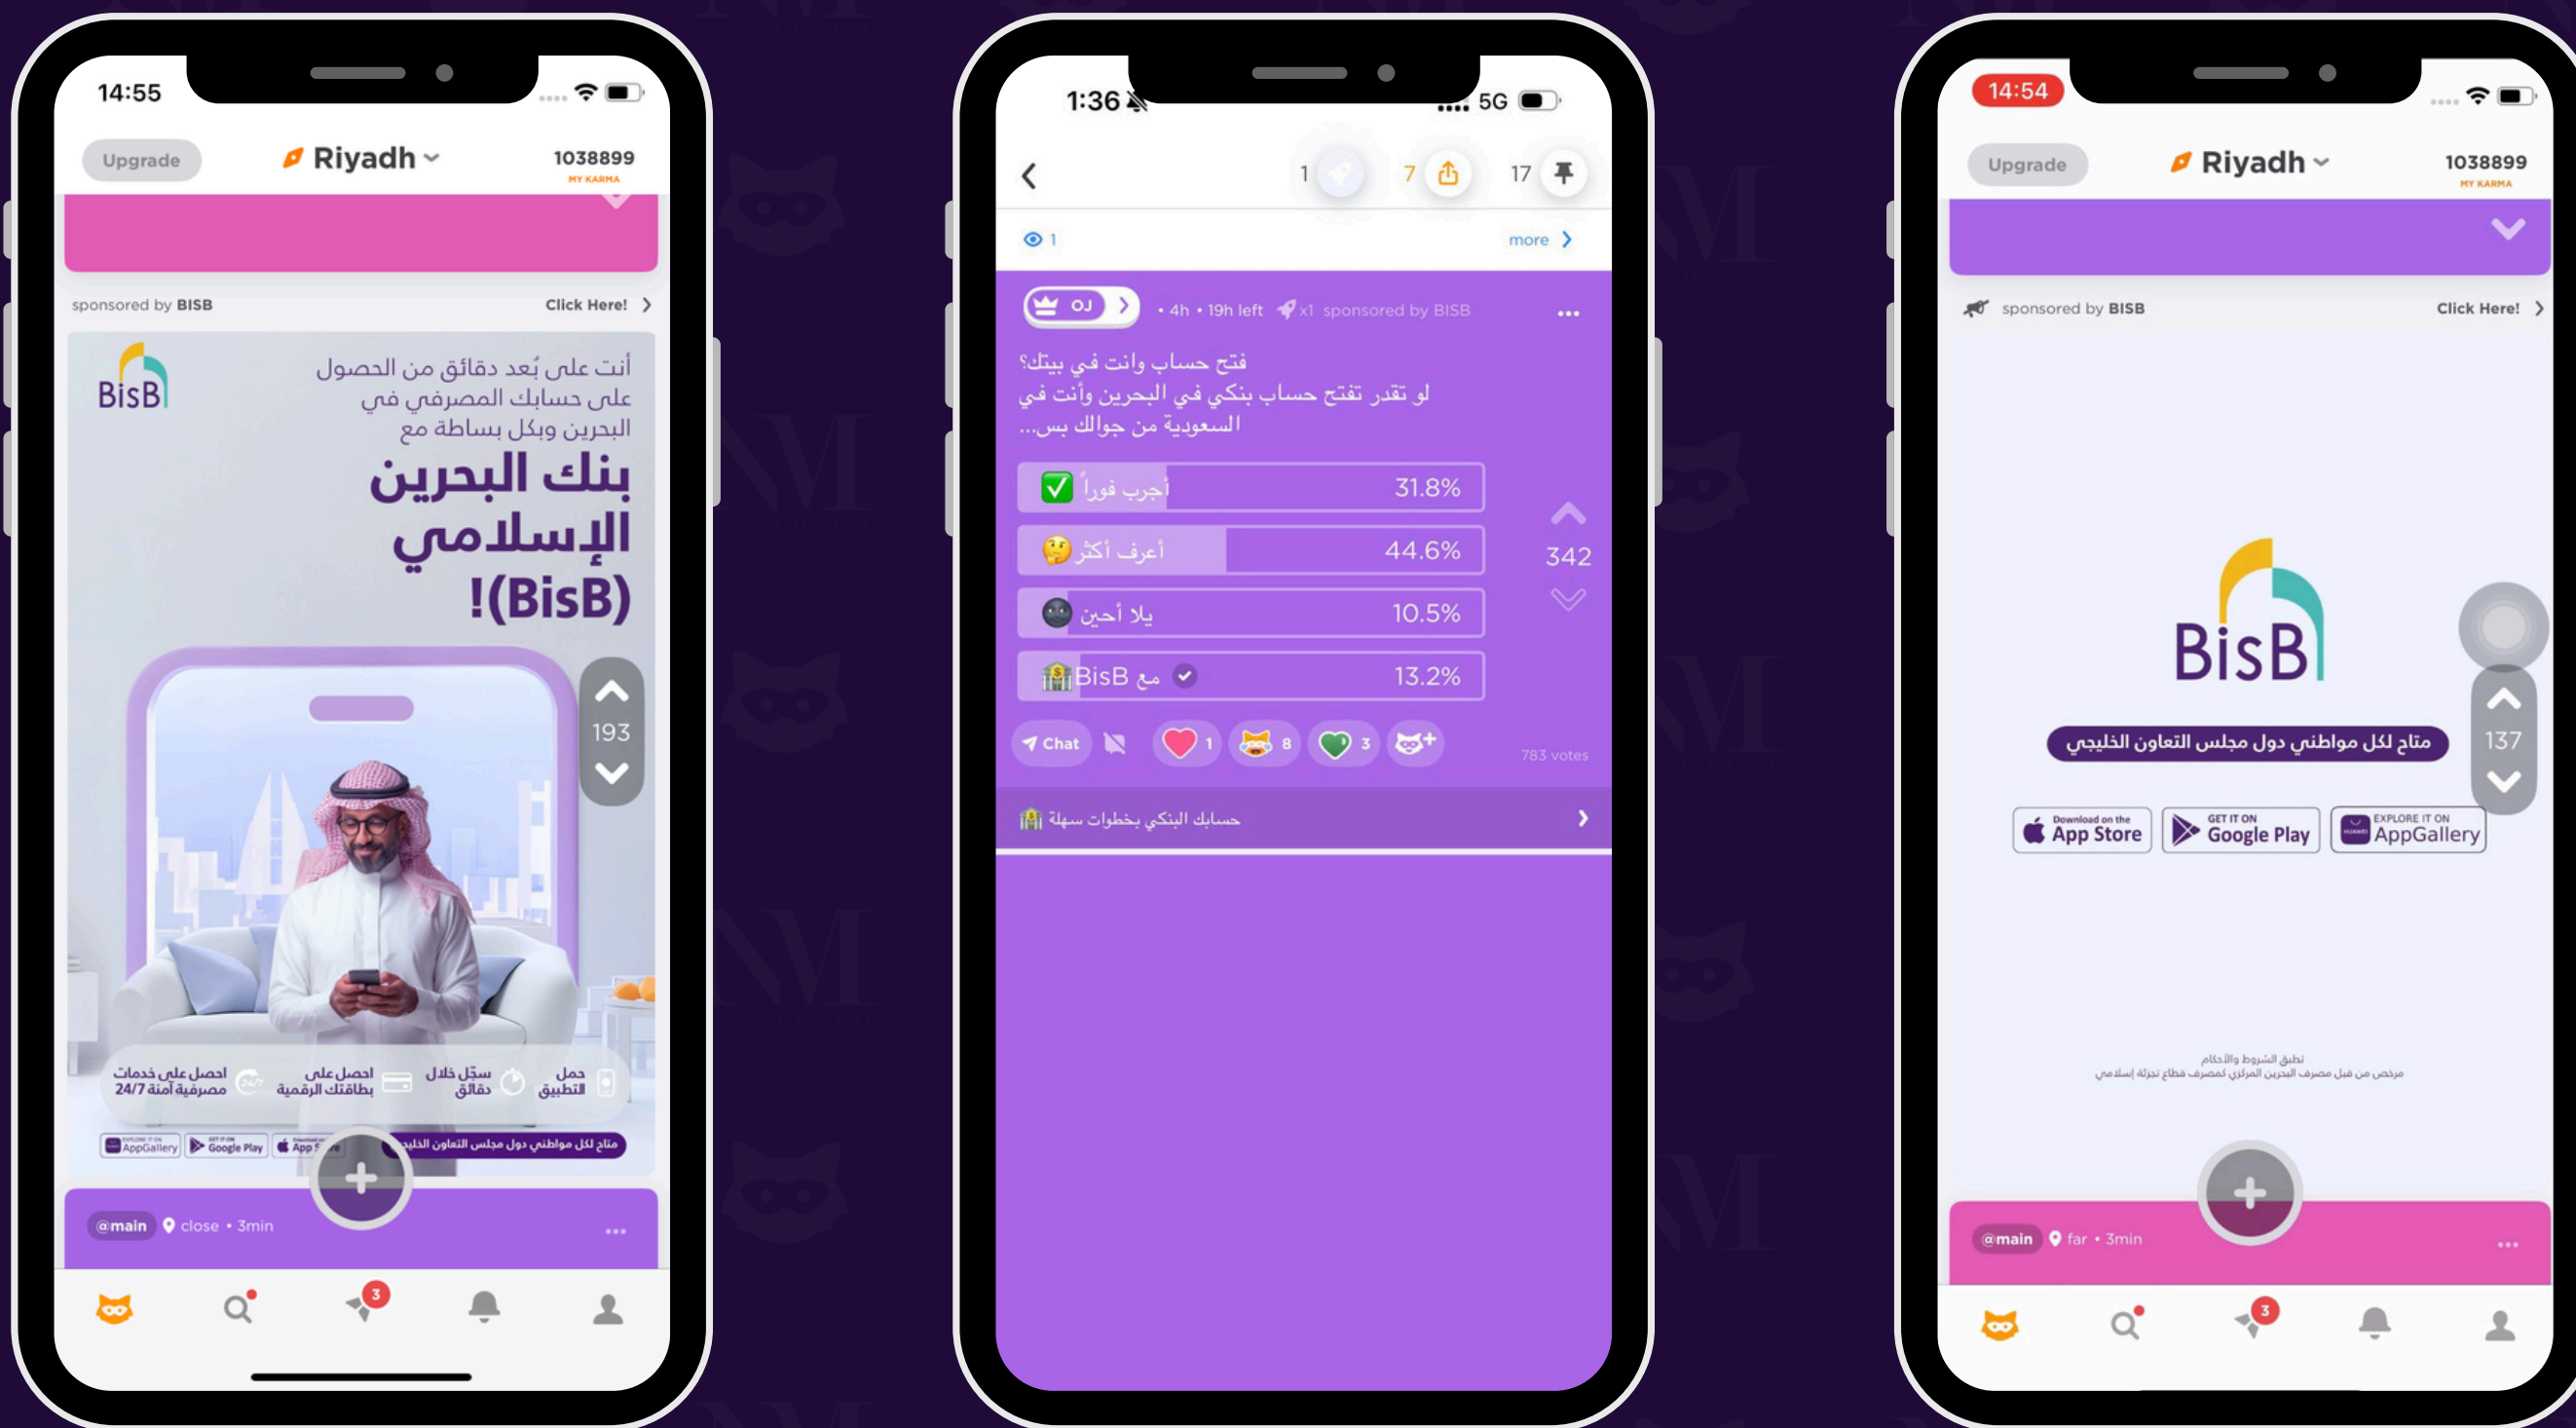

Timeline

The campaign was precisely timed to run throughout salary week and leveraged the KSA National Day weekend for a high-impact, exclusive 24hrs takeover.
