

eMYAA in Saudi Arabia

MARKET ENTRY PLAN

Introductory meeting with Vision Bank | October 2026

A Shari'ah-compliant trading app built for GCC investors

eMYAA is the digital trading platform of Ajyad Capital, an Islamic investment firm (Category 1) licensed by the Central Bank of Bahrain. It went live in May 2026.

Shari'ah compliant

Automated Shari'ah screening and a purification calculator

Bilingual

Full Arabic and English app, with AI support built in

Easy to start

No account fees and a minimum deposit of just USD 50

Global and regional markets

US, Saudi (Tadawul), Dubai (DFM) and Hong Kong in one app

Products Shari'ah-compliant stocks, Sukuk and ETFs, with a full app experience from onboarding to trading.

Saudi Arabia is our first priority market in the GCC

The audience

A young, mobile-first population that is open to investing through apps.

The demand

Strong interest in Shari'ah-compliant products, which is where eMYAA starts.

The fit

Arabic-first app, Tadawul access and a low USD 50 entry point.

Four investor segments, each with its own channel and message

Segment	Deposit size	Who they are	How we reach them	Why eMYAA
Starter	Under USD 1,000	21 to 35, salaried, often a first investment product	Social media, sponsored ads and creators	Simple bilingual app, no account fees, USD 50 to start
Emerging	USD 1,000 to 5,000	Young professionals building a regular saving habit	Google Search and app install ads	Low-cost access to US and Saudi markets in one place
Affluent	USD 5,000 to 50,000	Professionals and business owners	LinkedIn lead generation	Licensed Islamic firm, wide product range, personal service
High net worth	Over USD 50,000	Senior decision makers	Ajyad placement team, in person	Relationship-led, with the app as the daily tool

WealthTech reaches the first three segments at scale through digital channels. The Ajyad placement team closes high net worth relationships one at a time.

- Keep what converts, cut what does not
- Add brand awareness: outdoor and Jodel bursts
- Tighten onboarding for Saudi users

PHASE 3

Scale and expand

Nov to Dec 2026

- Scale the best Saudi channels
- Extend to Qatar, UAE, Kuwait, Bahrain and Oman
- Monthly creator content across the GCC
- Partnerships with regional institutions

Google Ads and LinkedIn: reaching investors when they are looking

Google Ads

Live since 22 Sep 2026

Who: Starter and Emerging investors searching for ways to invest

Where: Saudi Arabia, with Riyadh as the core, Saudi residents only

How: Search ads in Arabic and English, plus app install and video ads

So far: 70% of September website visits, and both languages engaging well

LinkedIn

Launching in October 2026

Who: Affluent professionals, business owners and senior managers

Where: Saudi Arabia first, then the wider GCC

How: Lead generation forms, so interested investors can ask to be contacted

Next: Our sales team follows up every lead personally

One-month test Results for both channels (traffic, installs, onboarding and cost per client) will guide the November scale-up.

Where eMYAA and Vision Bank could work together

01 Market insight

Your view on what Saudi digital customers expect from an investing app, and what has worked in your own marketing.

02 Easy funding

Simple ways for Saudi customers to move money between their bank account and their eMYAA account.

03 Joint campaigns

Co-branded content and offers that help customers start saving and investing the Shari'ah-compliant way.

04 Events and education

Joint sessions on investing basics for young professionals, in Arabic and English.

We would value your advice as we enter the Saudi market, and we are open to ideas on your side.

Thank You

Invest Wisely. Trade Precisely.
